

Flair

“Flair incorporates all that is desirable in a conference chair”

Designed by Peter Roth, the Flair is designed for use in all aspects of conferencing, from the large congress hall facility to the intimate meeting room.

The multi-contoured seat shell offers true comfort while maintaining a compact footprint for maximum numbers. The simple aesthetics and clean lines give architects and designers flexibility to offer a contemporary solution for all environments. The chrome plated frame features a unique flared leg detail.

Option - Recessed handle fits snugly in the back of the chair

Linked chairs

The unique foot stacking buffer allows the chairs to stack easily

The elegant and stylish moulded arm complements the chairs' contours

The contoured upholstered back offers lumbar support to create the most comfortable solution for conferences

Foot incorporating a stack buffer to guide and retain the chairs' position for increased stability

The chrome plated frame features a unique flared leg

Option - Retractable linking with optional numbering

Accessory - The chair trolley can stack up to 10 chairs for easy handling and storage

Accessory - Detachable tablet

Made in Britain

We are proud to say that for over half a century we have made all our chairs and tables to exacting standards in our West London factory.

Environmental Policy

As a leading industrial enterprise, we recognise our responsibility to the environment and are committed to achieving best environmental practice.

To this end we actively ensure that the environmental impact all of our materials, processes and products is reduced as much as possible or eliminated. The company is certified to ISO 14001 as well as having membership to 'Club Green', the highly acclaimed initiative run by FIRA.
